

# YOUTH TARGET SPORTS PROGRAM

## Information for Participants

### WELCOME!

The Lamoille Valley Fish and Game Club Youth Target Sports Program is a four-week instructional series where experienced shooting coaches work together with youths and their parents to build a solid foundation in firearm safety and marksmanship skills.

This foundational training will also encourage the development of sportsmanship, responsibility, ethics and integrity—all positive life skills that transfer readily to other day-to-day activities.

Participants will receive group instruction for the basics and one-on-one guidance on the firing line for personalized skill development. And as a bonus, advanced shooters will also have an opportunity to learn about competitive Cowboy Action Shooting.

With all this, it's going to be a lot of fun!
